

Wan Lee Publishing

Privacy Policy

Wan Lee Publishing respects the privacy of our customers and all visitors to our site. We solicit emails at various events to alert interested parties to the next book launch. We do not share these emails or any other information provided to any third party. If at anytime you receive any email that appears to be from Wan Lee Publishing that does not address an issue you asked about or the release of our next book please notify us at comments@wanleepublishing.com so that we can investigate any possible compromise of our website. Site Lock Secure monitors our website 24 hours per day for security breaches and virus attacks. Our email provider employs multiple tools for email protection. Please contact us if you have any questions in regard to our security.
